"Existing Customer with purchases in the last 6 months receive a special discounted price"

FEATURES

- It is a closed type of rotisserie that guarantees the perfect roasting result of chickens and all kinds of meat and fish.
- Inspired by the traditional Greek culinary techniques of spit-roasting and the French medieval tradition of chicken Rotisserie, it has been designed and created in accordance with the modern kitchen requirements.
- The sophisticated planetary spinning system contributes both to the uniform and fast roasting.
- This robust machine, made with high quality stainless steel, works both with wood and charcoal which can be easily loaded at a back cabin through a lateral door. The firebrick coating of the cabin and the refractory glass door for continuous inspection of the roasting process assure the heat containment and efficiency.
- The ash collector drawer in the back cabin and the grease collector tray with the evacuation tap facilitate the cleaning of the rotisserie.
- Choose between the small or the big model and get ready to live the absolute roasting experience.

ROASTER ROBATA CHARCOAL GRILL ~ OPTIONS OF GR85,GR85B,GR120 & GR120B

For customized pricing on projects or volume quantity purchases, please do not hesitate to contact us via the WhatsApp button below.
"Existing Customer with purchases in the last 6 months receive a special discounted price"

FEATURES

- Roaster presents the new Roaster Robata Grill.
- "Fireside-cooking" is the meaning of robatayaki often shortened to robata in japanese cuisine and it refers to a method of cooking, similar to barbeque in which items of food are cooked at varying speeds over hot charcoal.
- The Roaster Robata is designed to offer various levels of grilling combining the Greek and Japanese tradition as the food offered consists of a combination of morels of seafood and vegetables, but other kinds of food are also suitable for grilling on the Robata.
- While the setip varies, a common arrangement has the grill in a central position around which the customers are seated.
