FRUCOSOL SPAIN COOKING MACHINE ~ FRUCOSOL BC100

For customized pricing on project or volume quantity purchases, please do not hesitate to contact us via whatsapp button below.

DIM : W400 x D200 x H535 mm

FEATURES:

- Our cooking machine is the perfect solution as it makes a continuous circular movement similar to the one we make with our own hands; however, with the machine we get a constant, eccentric and permanent movement.
- It is ideal to make sauces as the Spanish Codfish to “pil-pil” or any other that we need to make a continuous movement to get the ingredients mixed.
- The MixChef Machine BC100 makes a circular and continuous movement like the traditional pot’s movement to cook any type of meals and sauces like: codfish to “pil-pil”, risottos, cooked dishes, rice puddings, and so on.
- It is made in Stainless Steel and it has feet that can be regulated. It also has one fastener on each side to fix different sizes of pots and pans.
- With this machine you could also cook any type of cooked dish that has to be made little by and little and with movement, keeping it hot all the time.
