KITCHEN AID 6.9L BOWL-LIFT STAND MIXER ~ 5KSM7990XB

For special pricing on volume orders, please contact us via WhatsApp below.
"Existing customers who have made purchases in the last 6 months enjoy the discounted price."

DIM: W287 X D371 X H417 mm

FEATURES:

7 Qt Bowl Lift NSF Certified Commercial Stand Mixer designed to provide professional-style results. Our Most Powerful, Best Performing, Longest Lasting, Quietest, and Largest Capacity. 14 Dozen Cookies. Over 8 lbs of Dough. No Problem.

KITCHEN AID 5.7L BOWL-LIFT STAND MIXER

- Full metal body construction
  Stable and durable with high-precision metal gears and metal control knobs.
- 1.3 HP high efficiency motor
  Quiet and powerful with direct drive.
- Easily handles big quantities
  Bowl-lift configuration is ideal for heavy loads and easy to clean.
- 6.9 L stainless steel bowl
  Strong bowl with handle for very large quantities of food
- Original planetary action
  Fast and thorough mixing.
- Wire guard and stop switch
  For increased safety in a commercial environment.
- Power in small packages
  The KitchenAid Professional Stand Mixer is among the most powerful units, given its compact size in relation to larger capacity professional stand mixers. The motor has 1.3 HP.
- Easy to transport
  Perfect for caterers to take to events. Flexibility is key when your work environment keeps changing. Open kitchen? No problem! Style comes as standard.
- Bowl-lift configuration
  Similar to the larger floor mixers, the bowl-lift configuration makes loading ingredients effortless; no need to tilt the head of the mixers, so you don’t lose your flow.

KITCHEN AID 5.7L BOWL-LIFT STAND MIXER ~ 5KSM6585-SERIES

For special pricing on volume orders, please contact us via WhatsApp below.
"Existing customers who have made purchases in the last 6 months enjoy the discounted price."

DIM: W292 X D362 X H419 mm

FEATURES:

The Bowl Lift Stand Mixer with two 5.7 L heavy-duty bowls is a professional tool ideal for heavy mixing that features a removable 5.7 L stainless steel bowl. It can mix and prepare with ease and, together with the variety of optional attachments, it will enrich your creativity in the kitchen. Thanks to its metal construction, it ensures durability, reliability, and professional results for long life.

KITCHEN AID 5.7L BOWL-LIFT STAND MIXER

- Full Metal Body Construction Stable and durable with high-precision metal gears and metal control knobs.
- Excellent Performance Direct drive with no power loss between the motor and accessories.
- Secure and Stable Design Bowl-lift configuration is ideal for frequent use and is easy to clean.
- 5.7 L Stainless Steel Bowl A strong bowl can be used for small or larger quantities.
- Original Planetary Action Fast and thorough mixing through 59 touch points around the bowl.
- Easy to Move Despite being robust, the stand mixer is light enough to carry.
- Small or Large Quantities It’s no problem making smaller quantities with the 5.7 L. But this stand mixer can handle the equivalent of 9 batches of cookies or 3.7 kg of mashed potatoes or 2.5 kg of bread dough.
- Stay Flexible Perfect for passionate bakers, caterers, or chefs producing various quantities. If versatility is high on your wish list, this is a great choice. Use the single multi-purpose attachment hub for optional attachments.
- Bowl-Lift Configuration The bowl lift makes loading ingredients effortless; no need to tilt the head of the mixer, so you don’t lose your flow.

DIM: W250 X D330 X H410 mm

FEATURES:

The Bowl Lift Stand Mixer with two 4.8 L heavy-duty bowls is a professional tool ideal for heavy mixing that features a removable 4.8 L stainless steel bowl. It can mix and prepare with ease and, together with the variety of optional attachments, it will enrich your creativity in the kitchen. Thanks to its metal construction, it ensures durability, reliability, and professional results for long life. The available colours are white and grey.

KITCHEN AID 4.8L BOWL-LIFT STAND MIXER

- Full metal body construction
  Stable and durable with high-precision metal gears and metal control knobs.
- Excellent performance
  Direct drive with no power loss between the motor and accessories.
- Secure and stable design
  Bowl-lift configuration is ideal for frequent use and easy to clean.
- 4.8 L stainless steel bowl
  Strong bowl can be used for small or larger quantities.
- Original planetary action
  Fast and thorough mixing through 59 touch points around the bowl.
- Easy to move
  Despite being robust, the stand mixer is light enough to carry.
- Small or large quantities
  It’s no problem making smaller quantities with the 4.7 L. But this stand mixer can handle the equivalent 9 batches of cookies or 2.7 kg of mashed potatoes or 2 kg of bread dough.
- Stay flexible
  Perfect for passionate bakers, caterers or chefs producing various quantities. If versatility is high on your wish list, this is a great choice. Use the single multi-purpose attachment hub for optional attachments.
- Bowl-lift configuration
  The bowl-lift makes loading ingredients effortless; no need to tilt the head of the mixer, so you don’t lose your flow.

"Existing customers who have made purchases in the last 6 months enjoy the discounted price."

DIM: W358 X D221 X H353 mm

FEATURES:

KitchenAid® tilt-head stand mixers offer a useful way to prepare your favorite doughnuts, bread, mousse and more. The tilt-head raises to easily change accessories, add ingredients or remove the bowl and locks back in place. Plus, with the optional tilt-head stand mixer attachments that fit the power hub, you can grind fresh meat for burgers, make veggie noodles, roll and cut homemade pastas, shred cheeses, slice veggies, slow juicing & puree, make ice-cream and many more endless possibilities. The KitchenAid® tilt head stand mixer will quickly become your kitchen’s go-to countertop appliance as you mix, knead and whip ingredients with ease.

KITCHEN AID CLASSIC 4.8L TILT-HEAD STAND MIXER

- Doughn't Worry, Be Happy
  The dough hook is perfect for kneading all kinds of dough. Use it for making pasta, pizza and bread.
- Whisk Away
  Grab the wire whisk when you need to incorporate air into your mixtures.
- Flat out the best
  The flat beater tackles heavier mixtures and gives you the right consistency for everything from mashed potatoes to frostings.
- More Bowl, More Fun
  The 3L bowl is an extra bowl so you don’t need to keep washing up the one you have. Need two mixtures for your recipe? We’ve got you covered.
- Flexible around the Bowl
  The flex edge beater is perfect for scraping every last bit of ingredients off the side of your bowl. Nothing will go to waste and your bowl will be easy to clean.
- Be Shielded from the mess
  The pouring shield is perfect for covering your bowl while you add ingredients. Mix in the flavour and avoid all the mess.
- The fun in functional
  With our smooth, rounded tilt-head design available in lots of different colours, you’ll find the perfect mixer for you. - Elegant, easy to use and quick to clean. Spend more time baking and cooking instead of going through the user manual.
- Do the twist
  It’s never been easier to add ingredients into your mixture, thanks to the original planetary action of our stand mixer. Low-effort and high-quality results go hand in hand. - The beater rotates in one direction while its whisk turns in the other, constantly pushing ingredients towards the centre of the bowl.

- Built to last
  Our stand mixers are built from the toughest materials and can take on any recipe you throw at (or in) them. What recipe will you challenge your stand mixer with? - Our stand mixers can withstand anything from sticky mixtures to compact doughs. So, don’t be shy. Give your stand mixer a challenge.
- Adapts to your needs
  Choose from a whole range of attachments. Simply plug them in and you’re ready! Create any dish you’ve ever wanted to make. - The accessories are perfect for changing and adapting your stand mixer to suit your needs and culinary adventures.

4.3 L Classic Tilt-head Stand Mixer

- A true Classic in the kitchen
  Baking is just the beginning. With 10 speeds and more than 10 available attachments, the KitchenAid Classic Stand Mixer can whip up everything from pasta to ice cream, sausages to salsa and so much more.
- Excellent performance
  The original planetary action – where the beater rotates in one direction while it whisks and turns in the other, constantly pushing ingredients towards the center of the bowl. 10 speed settings ensure fast, thorough and precise mixing.
- Direct drive motor
  The direct drive motor in the head ensures the power is driven directly to the attachments and accessories. The Stand Mixer is efficient, reliable and long lasting. The large 4.8 L stainless steel bowl lets you process small to large batches of food.
- Included attachments
  Mix, knead, whisk and whip. Our mixer comes equipped with a flat beater, dough hook and wire whisk for all your baking needs (see each model for accessory options).
- Optional attachments
  A wide variety of attachments and optional accessories can simply be plugged in the single multi-purpose hub will allow you to mince meat, slice vegetables, roll and cut pasta, squeeze, chop and process… Do all this and much more with just one appliance!
- A popular entry-level model!
  It features a robust, stable and durable full metal construction and a smooth rounded design. It is durable, reliable, and gives you the power to do more of what you love in the kitchen.
