DIM: W358 X D221 X H353 mm

FEATURES:

KitchenAid® tilt-head stand mixers offer a useful way to prepare your favorite doughnuts, bread, mousse and more. The tilt-head raises to easily change accessories, add ingredients or remove the bowl and locks back in place. Plus, with the optional tilt-head stand mixer attachments that fit the power hub, you can grind fresh meat for burgers, make veggie noodles, roll and cut homemade pastas, shred cheeses, slice veggies, slow juicing & puree, make ice-cream and many more endless possibilities. The KitchenAid® tilt head stand mixer will quickly become your kitchen’s go-to countertop appliance as you mix, knead and whip ingredients with ease.

KITCHEN AID CLASSIC 4.8L TILT-HEAD STAND MIXER

- Doughn't Worry, Be Happy
  The dough hook is perfect for kneading all kinds of dough. Use it for making pasta, pizza and bread.
- Whisk Away
  Grab the wire whisk when you need to incorporate air into your mixtures.
- Flat out the best
  The flat beater tackles heavier mixtures and gives you the right consistency for everything from mashed potatoes to frostings.
- More Bowl, More Fun
  The 3L bowl is an extra bowl so you don’t need to keep washing up the one you have. Need two mixtures for your recipe? We’ve got you covered.
- Flexible around the Bowl
  The flex edge beater is perfect for scraping every last bit of ingredients off the side of your bowl. Nothing will go to waste and your bowl will be easy to clean.
- Be Shielded from the mess
  The pouring shield is perfect for covering your bowl while you add ingredients. Mix in the flavour and avoid all the mess.
- The fun in functional
  With our smooth, rounded tilt-head design available in lots of different colours, you’ll find the perfect mixer for you. - Elegant, easy to use and quick to clean. Spend more time baking and cooking instead of going through the user manual.
- Do the twist
  It’s never been easier to add ingredients into your mixture, thanks to the original planetary action of our stand mixer. Low-effort and high-quality results go hand in hand. - The beater rotates in one direction while its whisk turns in the other, constantly pushing ingredients towards the centre of the bowl.

- Built to last
  Our stand mixers are built from the toughest materials and can take on any recipe you throw at (or in) them. What recipe will you challenge your stand mixer with? - Our stand mixers can withstand anything from sticky mixtures to compact doughs. So, don’t be shy. Give your stand mixer a challenge.
- Adapts to your needs
  Choose from a whole range of attachments. Simply plug them in and you’re ready! Create any dish you’ve ever wanted to make. - The accessories are perfect for changing and adapting your stand mixer to suit your needs and culinary adventures.
